

# Desperately Distant

Brad Kilman

G C

**I confess**

I have been desperately distant from You

I have wandered and not been restrained

I have wandered so far from You

Em D  
But I want to return

Em D  
I want to be true

Em D  
I want to return

G  
To You

Or:

I want to return  
And drink from the fountain

I want to return  
I want to be true

I want to return  
To You

Ending:

**G C**  
You are the only One I run to right now

**G C**  
You are the only One I'm longing to see

**G**  
You are the only One I run to

**C G**  
I run to right now

**C G**  
Place Your hand on me

**C**  
Place Your hand on me
