

# Have Faith

*(Brad Kilman)*

G - Em - D - C

I will praise you, I will always praise You  
I lift my heart to you  
Oh I will praise you right now  
My heart will rise with praise, with faith  
Mmmmm....

You people of God, rise up with faith  
Believe in the kind hand  
Of the Father Who brought you into His family  
Rise up with faith  
Believe He will do all He said He would do  
It is time to believe, time to believe in Him  
Like a child though you can't see in front of your face  
Sometimes the darkness is thick  
Oh take the hand of your Father  
Let Him lead you believe He will lead you  
He is kind, faithful, eternal  
Bring your grateful praise to Him  
Everyday, everyday

Have faith, have faith  
Have faith, have faith  
Have faith, have faith  
Rise up with faith now, rise up with faith  
And believe in His kindness, have faith  
Rise up with faith, its time to believe Him  
Have faith he will complete the thing He began in you Have faith  
"Let Me put My faith in you"  
Oh, it's time to believe in Him  
It's time to believe in Him  
Oh now rise up again, yeah rise up again

And have faith like a child  
What does it mean to be like a child  
What does it mean to look at your Father  
What does it mean to stare into His eyes  
And have faith like a child who only knows that his Father is strong  
And there is nothing He can't do
