**Em**            **C**  
Your love is fountain  
**D**            **Em**  
That will not run dry  
**Em**                            **C**  
The words You have spoken  
**D**            **Em**  
Eternal life  
**Em**                            **C**  
The things You have planted here  
**D**            **Em**  
Will never die  
**Em**                            **C**  
The things You have planted here  
**D**            **Em**            **G**  
Will never die

**C**            **D**            **Em**            **G**  
Apart from you Lord I have no good thing  
**C**            **D**            **Em**            **G**  
Apart from You I am lost And I'm afraid

**C(A)**                            **D(B)**                            **Em**            **G**  
So keep me safe Oh, God You are my sun...my shield  
**C(A)**                            **D(B)**                            **G**                            **G**  
Keep me safe Oh, God You are my hiding place

Keep me safe Oh, God  
Keep me safe Oh, God
